

CSS Tutorial - Intermediate Web Design
GWDA273
Animated.css

Steps:

- 1.-Go to <https://daneden.github.io/animate.css/> and download the css file
- 2.-Save the css file in your css folder for future use
- 3.-Include the stylesheet on your document's <head>

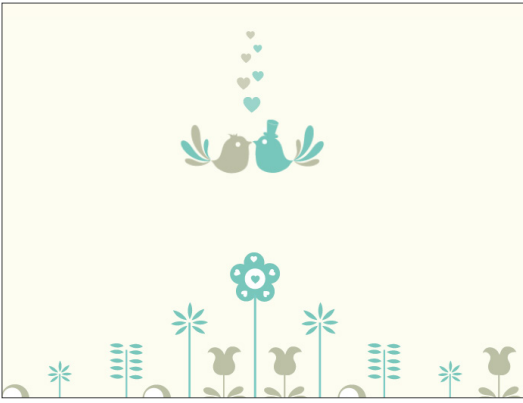

```
<head>  
  <link rel="stylesheet" href="animate.min.css">  
</head>
```

- 4.-Add the class **animated** to the element you want to animate. You may also want to include the class **infinite** for an infinite loop.

- 5.-Finally you need to add one of the following classes:

bounce	fadeOutDown	zoomInLeft
flash	fadeOutDownBig	zoomInRight
pulse	fadeOutLeft	zoomInUp
rubberBand	fadeOutLeftBig	zoomOut
shake	fadeOutRight	zoomOutDown
swing	fadeOutRightBig	zoomOutLeft
tada	fadeOutUp	zoomOutRight
wobble	fadeOutUpBig	zoomOutUp
jello	flipInX	slideInDown
bounceIn	flipInY	slideInLeft
bounceInDown	flipOutX	slideInRight
bounceInLeft	flipOutY	slideInUp
bounceInRight	lightSpeedIn	slideOutDown
bounceInUp	lightSpeedOut	slideOutLeft
bounceOut	rotateIn	slideOutRight
bounceOutDown	rotateInDownLeft	slideOutUp
bounceOutLeft	rotateInDownRight	
bounceOutRight	rotateInUpLeft	
bounceOutUp	rotateInUpRight	
fadeIn	rotateOut	
fadeInDown	rotateOutDownLeft	
fadeInDownBig	rotateOutDownRight	
fadeInLeft	rotateOutUpLeft	
fadeInLeftBig	rotateOutUpRight	
fadeInRight	hinge	
fadeInRightBig	rollIn	
fadeInUp	rollOut	
fadeInUpBig	zoomIn	
fadeOut	zoomInDown	

Example

HTML

```
<!doctype html>
<html>
<head>
  <meta charset="UTF-8">
  <title>Animate.css - Tutorial</title>
  <link rel="stylesheet" type="text/css" href="css/animate.css"><!-- animated gallery
  library -->
  <link rel="stylesheet" type="text/css" href="css/myStyles.css"><!-- My styles -->
</head>

<body>
  <div class="main">
    

    
  </div>
</body>
</html>
```

CSS

```
@charset "UTF-8";
/* CSS Document */

body{
  background-color:#FDFCF0;
}
.main{
  width: 960;
  margin-top: px;
  margin-right: px;
  margin-left: px;
  margin-bottom: px;
  background-image: url(../img/bg-flowers.
png);
  background-position: top center;
  height: 600px;
}
```

```
.birds{
  display: block;
  margin: auto;
  width: 222px;
  height: 203px;
  margin-top: -189px;
}
.harts{
  display: block;
  margin-right: auto;
  margin-left: auto;
  width: 222px;
  height: 203px;
  margin-top: 21px;
}
```
